Julia Bennett

Data analyst

Experience

- 2020–present — Data analyst, RetailGroup. BI, SQL, dashboards, reporting. I have not done engineering or model work.
- 2018–2020 — Junior analyst.

Education

Bocconi University, statistics (2018).

Stack and skills

SQL, Power BI, Tableau, Excel; Python (basic).

Projects

- Dashboards and regular business reporting.
- Ad-hoc analytics on request.

About me

A data analyst who wants to try AI. No engineering or LLM experience — this would be a career change.
