Kayla Lawson

Frontend developer

Experience

- 2020–present — Frontend developer, WebMaker. React interfaces. No ML/LLM experience, I want to move into AI.
- 2019–2020 — HTML/CSS developer.

Education

University of Porto, information technology (2019).

Stack and skills

JavaScript/TypeScript, React, CSS; Python (only just starting).

Projects

- Web interfaces and SPAs.
- Chat widgets (frontend).

About me

A frontend developer who wants to get into AI. No ML/LLM experience — this would be a complete change of direction.
