ABOUT

Age: 26
City: Prague
Timezone: CET (UTC+1)

LANGUAGES

Czech — native
English — conversational

COURSES AND CERTIFICATES

ODS.ai — ML course
LLM course (in progress)

SCHEDULE

Full-time.

Marina Sullivan

ML engineer

Experience

- 2022–present — ML engineer, AnalyticsPro. Classic ML in production (scoring, forecasting). RAG — in pet projects, never shipped to production.
- 2021–2022 — Data analyst.

Education

Charles University Prague, applied mathematics and computer science (2021).

Stack and skills

Python, scikit-learn, classic ML, RAG (pet projects), pandas.

Projects

- Production ML: scoring model, churn forecast.
- RAG assistant over documentation — pet project (no production).

About me

Solid ML background. LLM/RAG is still only in pet projects, but I am growing fast in that direction and want production experience.
