Olivia Zimmer

ML engineer

Experience

- 2022–present — ML engineer, NordData. RAG assistant over the internal knowledge base in production; langchain, eval.
- 2020–2022 — Data Scientist.

Education

Jagiellonian University, faculty of mathematics (2020).

Stack and skills

Python, LLM, RAG in production, langchain, eval, pandas.

Projects

- Internal RAG assistant in production.
- Answer-quality metric set and dashboard.

About me

Strong RAG experience. My timezone UTC+5 is the only minus, but I am ready to shift my working day to overlap with the team.
