Paula Evans

ML/LLM intern

Experience

- No commercial experience. Strong coursework and pet projects on LLM.

Education

University of Ljubljana, applied mathematics, 4th year (expected 2026).

Stack and skills

Python, LLM, RAG (pet), Kaggle, pandas.

Projects

- Coursework RAG assistant over study materials.
- Kaggle competitions (NLP).

About me

An intern, I learn fast. I want a team where I will do real work, not exercises.
