ABOUT

Age: 29
City: Madrid
Timezone: CET (UTC+1)

LANGUAGES

Spanish — native
English — conversational

COURSES AND CERTIFICATES

PyTorch — advanced
CV Nanodegree

SCHEDULE

Full-time.

Robert Keane

Computer Vision engineer

Experience

- 2019–present — CV engineer, VideoAnalytics. Detection and segmentation in production (video analytics). I have never worked with LLM/RAG.
- 2017–2019 — ML engineer (CV).

Education

Universidad Politécnica de Madrid (2017).

Stack and skills

Python, PyTorch, OpenCV, detection/segmentation (CV).

Projects

- Production CV: video analytics, object recognition.
- Inference optimisation for CV models.

About me

A strong CV engineer. LLM/RAG is a new direction for me; for this particular opening my profile does not match, but my ML fundamentals are deep.
