

AGREEMENT FOR THE DEVELOPMENT AND IMPLEMENTATION OF SOFTWARE No. HRM-2026/14

Place: _____

"___" June 2026

Hermes Logistics Ltd, hereinafter the "Client", represented by its Chief Executive Officer [name to be confirmed], acting under the company's constitutional documents, of the one part, and Evo-ai Ltd (brand Evo-ai), hereinafter the "Contractor", represented by its Director Arthur Severin, acting under the company's constitutional documents, of the other part, jointly referred to as the "Parties", have entered into this Agreement as follows.

1. SUBJECT OF THE AGREEMENT

1.1. The Contractor undertakes to carry out the work of developing and implementing an AI support assistant (software based on an LLM and RAG technology over the Client's knowledge base) in accordance with the technical specification (Annex No. 1), and the Client undertakes to accept the result of the work and to pay for it in the manner set out in this Agreement.

1.2. The work is performed in stages: stage 1 — discovery and data preparation; stage 2 — development; stage 3 — implementation and acceptance.

1.3. The result of the work is an AI support assistant running in production, integrated with the Client's helpdesk system and having passed acceptance against the agreed success metrics.

2. PRICE OF THE WORK AND PAYMENT PROCEDURE

2.1. The price of the work under this Agreement is USD 69,000 (sixty-nine thousand US dollars). The price is exclusive of VAT; no VAT is chargeable (the Contractor is not registered for VAT in its jurisdiction).

2.2. Payment is made in the following order:

— a prepayment of 30% of the price — USD 20,700 (twenty thousand seven hundred US dollars) — within 5 (five) business days of the date this Agreement is signed;

— 40% of the price — on completion of the development stage, against a signed acceptance certificate;

— 30% of the price — on signature of the certificate of acceptance of the result of the work.

2.3. Maintenance and support of the assistant after it goes into production are provided under a separate agreement at a rate of USD 4,200 (four thousand two hundred US dollars) per month (SLA).

3. TIME FOR PERFORMANCE

3.1. The time for performance of the work is 4 (four) months from the date the prepayment is credited to the Contractor's account.

3.2. Acceptance of the result of the work into production takes place by 01.10.2026.

3.3. Intermediate milestones (control points) are determined by the stages set out in clause 1.2 of this Agreement and are recorded in the project schedule (Annex No. 2).

4. TERMINATION

4.1. Either Party may terminate this Agreement unilaterally and without recourse to court, by giving the other Party at least 30 (thirty) calendar days' written notice.

4.2. Where the Agreement is terminated at the Client's initiative, the volume of work actually performed as at the date of termination is payable; the prepayment already made is not refunded to the Client.

4.3. Where the Agreement is terminated at the Contractor's initiative, the prepayment already made is refunded to the Client; the results of the work (work in progress) are not handed over to the Client.

5. RIGHTS IN THE RESULT OF THE WORK

5.1. Exclusive rights in the result of the work for each stage pass to the Client from the moment the acceptance certificate for that stage is signed, irrespective of whether the subsequent stages have been paid for.

5.2. The Contractor retains the right to use the general-purpose libraries, components and solutions developed in the course of the work which do not contain the Client's confidential information.

6. WARRANTY AND SUPPORT

6.1. The Contractor grants a warranty period of 12 (twelve) months from the date the acceptance certificate is signed, during which defects in the result of the work are remedied by the Contractor free of charge.

6.2. A defect for the purposes of this section includes, among other things, the failure of the result of the work to meet the Client's expectations.

6.3. Reworking of the result of the work within the agreed technical specification is carried out by the Contractor at no additional charge.

7. LIABILITY OF THE PARTIES

7.1. For breach of the deadline of a stage, the Contractor pays the Client a penalty of 0.3% of the price of the relevant stage for each day of delay.

7.2. For failure to meet the final deadline for the work, the Contractor pays the Client a fine of USD 5,500 (five thousand five hundred US dollars).

7.3. The Contractor's liability for losses caused to the Client is not limited to the value of this Agreement.

8. CONFIDENTIALITY AND PERSONAL DATA

8.1. The Parties undertake to keep confidential the information obtained in the course of performing this Agreement. For disclosure of confidential information the Party at fault pays a penalty of USD 11,000 (eleven thousand US dollars).

8.2. Personal data is processed in accordance with the General Data Protection Regulation (GDPR). The Contractor ensures that personal data protection measures are in place and is liable for any leak of such data.

8.3. The Contractor shall take out professional liability insurance for USD 33,000 (thirty three thousand US dollars) within 30 (thirty) days of the date this Agreement is signed.
